October 2 ·

Just found out today that Victor & the other VP will be performing on October 4th in Las Vegas; anyone hear about this or know where it is?
Question: have you guys quit gigging/performing?

Will it be the "real" village people or the "fake" village people performing at the big E in Massachusetts in a few weeks?

Kathleen Santoro It was a shockingly poor performance. I feel so sorry that the name VP was associated with it after all the hard work, dedication and fun you six have put into the group for all these years. To your fans, YOU are the Village People and folks will be dismayed to see the VP wannabes/posers instead. Keep singing and moving "We want YOU!"

All this is a lack of respect to Jacques Morali, to Glenn Hughes and especially to the fans who buy the records, Felipe, Alex, Ray, Eric and all the others who replaced the needs have never forgotten about Jacques Morali, Willis never speaks ... yes he is the singer of the beginning but for the fans of VILLAGE PEOPLE the group is impossible without Felipe Alex, Ray without forgotten Eric Jim and Bill even if I adore Randy and David! will come back ... with The ideal solution that would make everyone happy especially the fans through the disco planet that would be a celebration for the 40 years of Village People paying tribute to MORALI and all those and the one who worked hard for the group including my father who is surely desperate to see Willis destroy everything in finishing the group must be directed by the world of the time VILLAGE PEOPLE not share of the adults who were not in the world at the time of the glory of VP So to follow IDEAL SOLUTION Signed MORALI - VILLAGE PEOPLE can not stop and can not be what is becoming without FELIPE, ALEX, RAY and the others!

Did y'all know there's a war afoot with the Village People who have been touring forever and 2-yr member Victor Willis? 1 /

Replying to **@NamolinExile**

He recently called the touring version (which we saw last summer and loved despite ourselves, yay cowboy Jim Newman) "karaoke faces" 2 /

while calling himself and some mostly miserable looking extras "real." We are totally team Sixuvus and root for the V people we've been 3 /

watching over the decades. Ray Simpson was a cop longer than you, Victor. Your cowboy is no Jim Newman, that's for sure. 4 / 4
